

Tell us the problem. We'll build the solution.

Re-Charge builds websites, dashboards, automation, AI and custom software for South African businesses. Built quickly, at a fixed price, by people you can reach directly.

✓ Free mockup before you pay

✓ Fixed quotes, no hourly rates

✓ You own your domain

WHAT WE BUILD

Websites

From a one-page site live in a day to booking and online shops.

FROM R1,000

Dashboards

Your sales, stock and project numbers, finally easy to read.

FROM R2,000

Automation

Quotes, reminders and admin that run themselves.

FROM R2,000

AI integrations

Assistants that answer from your own documents.

FROM R3,500

Custom software

Tools and apps built around how you work.

FROM R4,500

Hosting & Care

Kept online, secure, backed up and up to date.

FROM R50/month

HOW IT WORKS

1

Tell us what you need

A few sentences is enough.

2

See a free mockup

Your site, before you pay.

3

Accept a fixed quote

R500 deposit to start.

4

Go live

Often within days.

Let's talk about your business.

Send a WhatsApp or start online. We reply within 1 business day.
